BCA AFC President Annette Morgan to receive Indspire Public Service Award

Victoria B.C. – The BC Association of Aboriginal Friendship Centres (BCA AFC) congratulates Annette Morgan on being named the 2026 recipient of the Indspire Public Service Award.

Annette is a member of the Gitksan Nation, the Executive Director of the Dze L K'ant Friendship Centre Society, and President of BCA AFC. She recently graduated as part of the inaugural class of the Master of Business Administration in Advancing Reconciliation at the University of Victoria's Peter B. Gustavson School of Business, a program developed and delivered in partnership with BCA AFC.

Each year, the Indspire Awards are presented to honour outstanding Indigenous individuals whose achievements, leadership, and service are improving communities from coast to coast. This award recognizes Annette's commitment to strengthening her community and supporting others through dedicated service to the Friendship Centre Movement.

"Indspire Laureates show us what is possible when talent, determination, and community commitment come together," said Jocelyn W. Formsma, President and CEO of Indspire and 2024 Public Service Laureate. "Their work is transforming systems, revitalizing culture, advancing knowledge, and creating opportunity. We are honoured to celebrate these leaders and share their stories with the country."

This year's Indspire Awards Ceremony will take place on May 14, 2026, in Halifax. We look forward to celebrating this incredible honour with Annette.
